

Using the Jane EHR System:

The first step to become a patient at Triad Neuropsychology is to set up a 15-minute phone consultation to discuss your needs and determine next steps. You can do so by clicking the “Patient Portal” button from the website. You will be taken to the Jane Booking page, which looks like this:

The screenshot shows a booking interface for Samantha Sedlak. On the left, there is a profile card with her photo, name, title (Psy.D.), and a brief bio. Below this, there is a section for selecting an evaluation, with 'Phone Consultation' highlighted in a dark blue box. The main area is a calendar grid for the week of Jan 7-13. The grid shows 'No Availability' for most slots, but a 3:00pm slot on Thursday, Jan 11, is available and highlighted with a black box and a blue arrow. Below the calendar, there are links to 'Add yourself to the wait list' and buttons for 'Unavailable' and 'Available'. At the bottom, there is contact information including the address, phone number, and email.
